

## Testimonials

“Since I started using Designmate’s 3D videos and simulations, my students have become more motivated, engaged, and they have increased their content understanding measured through their writing and creation of models.”

**- Kristin Donley,  
2012 Colorado Teacher of the Year**

“In North Carolina, student has to score a level 3 (mastery of concepts) of 4(Proficiency in concept) on a statewide testing exam. All classes taught by Jason chambers(Biology teacher) received 100% proficiency using Designmate’s 3D content.”

**- Dixon High School,  
North Carolina**

“The Use of Designmate’s 3D content helped increase student engagement and led to better achievement in some cases - with the lowest - performing students seeing the greatest benefits.”

**- Boulder Valley School District,  
Colorado**

**- Dr. Abdullah Ismail (Sr. Executive Advisor),
